

Electric Lice Comb **LCS**

40 15588 41015 4

Certified according to EU product regulations

Application / Features

- Simple combing frees hair from head lice and nits
- The lice are destroyed by an electrical current upon contact with the teeth of the comb
- No side effects, and no use of chemical agents
- Easy to use
- Suitable for humans and pets (e.g. cats and dogs)
- The electric charge is so small that users will not notice it; it is absolutely safe to use.
- Comb activity is indicated by an audible signal
